"Education makes people easy to lead, but difficult to drive; easy to govern, but impossible to enslave." Henry Brougham. Education is that one important asset which determines the future of our nation. Delta College is education.

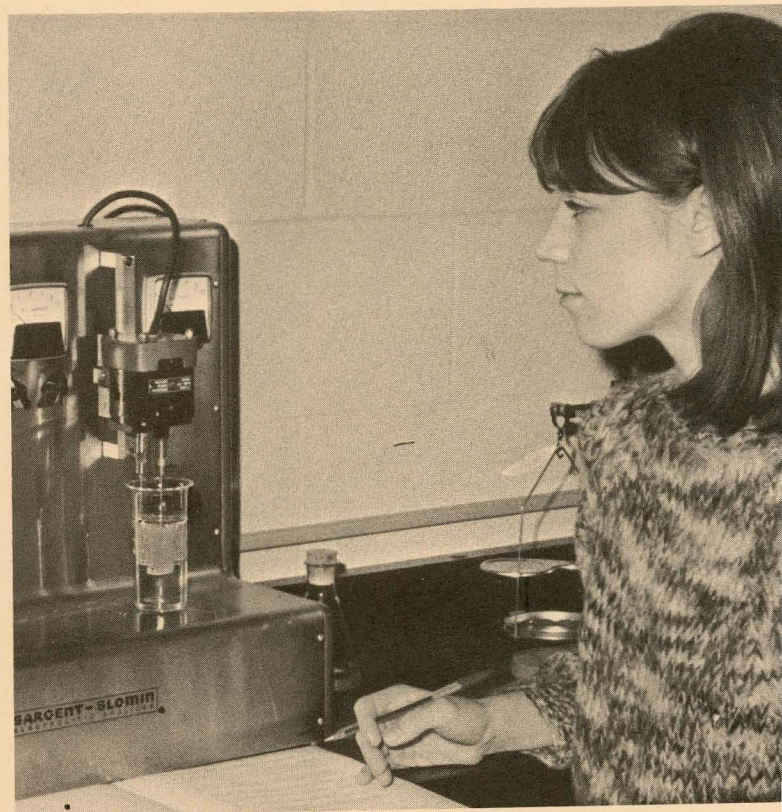

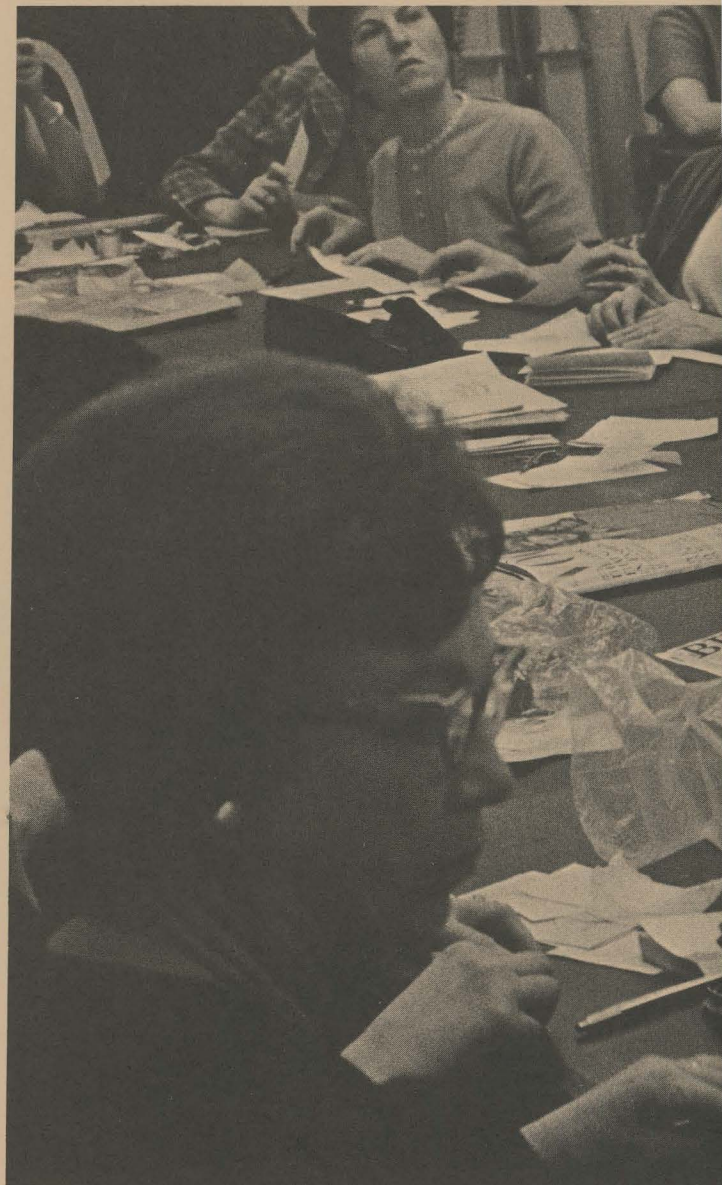

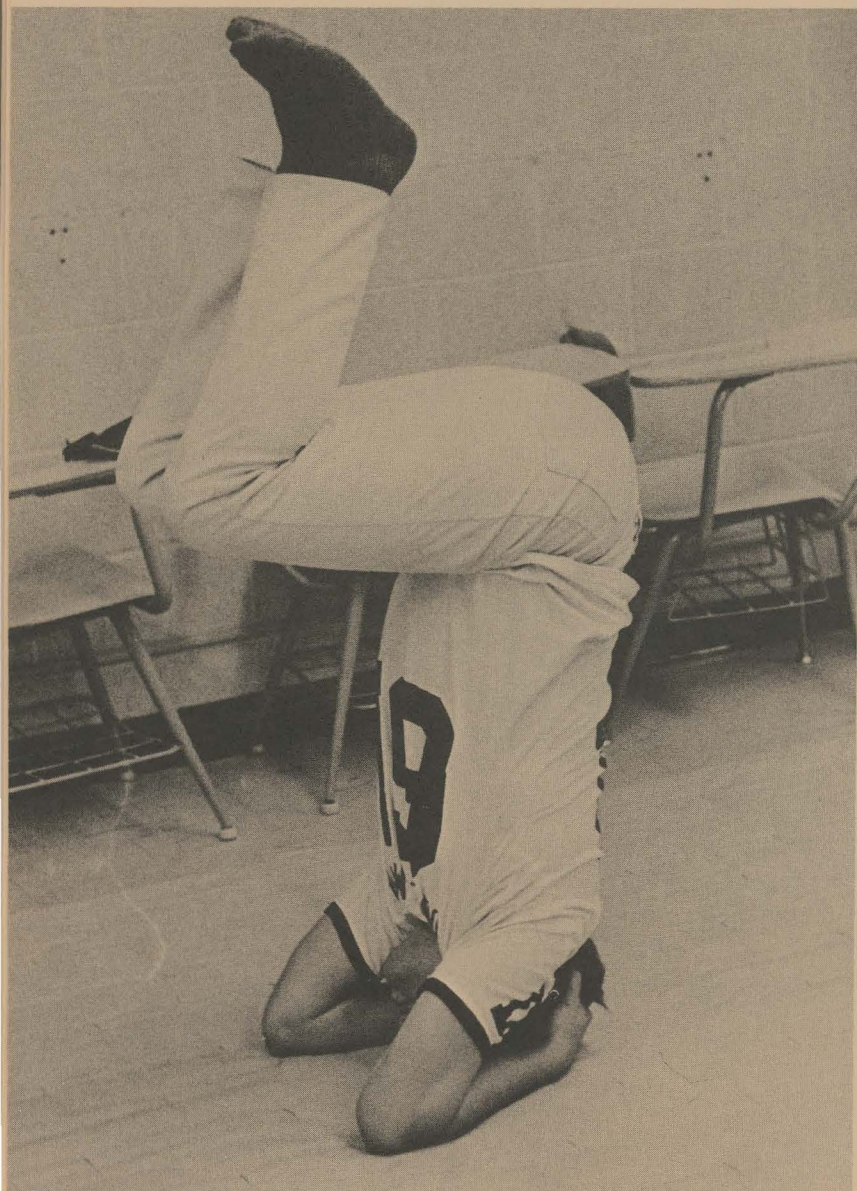

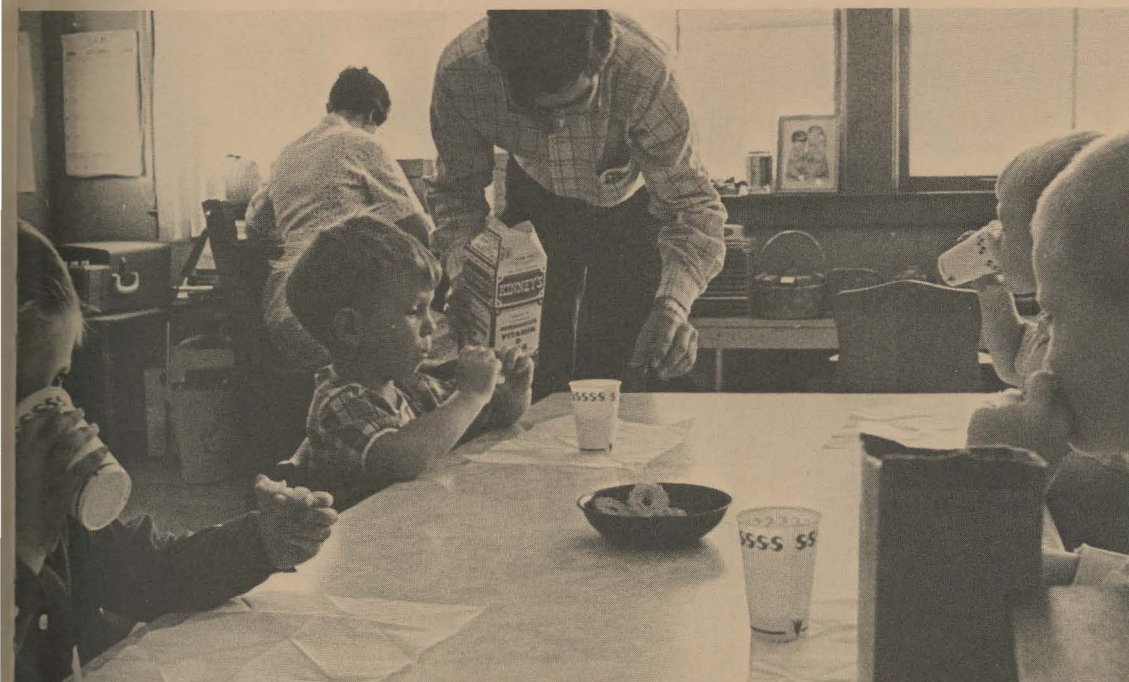

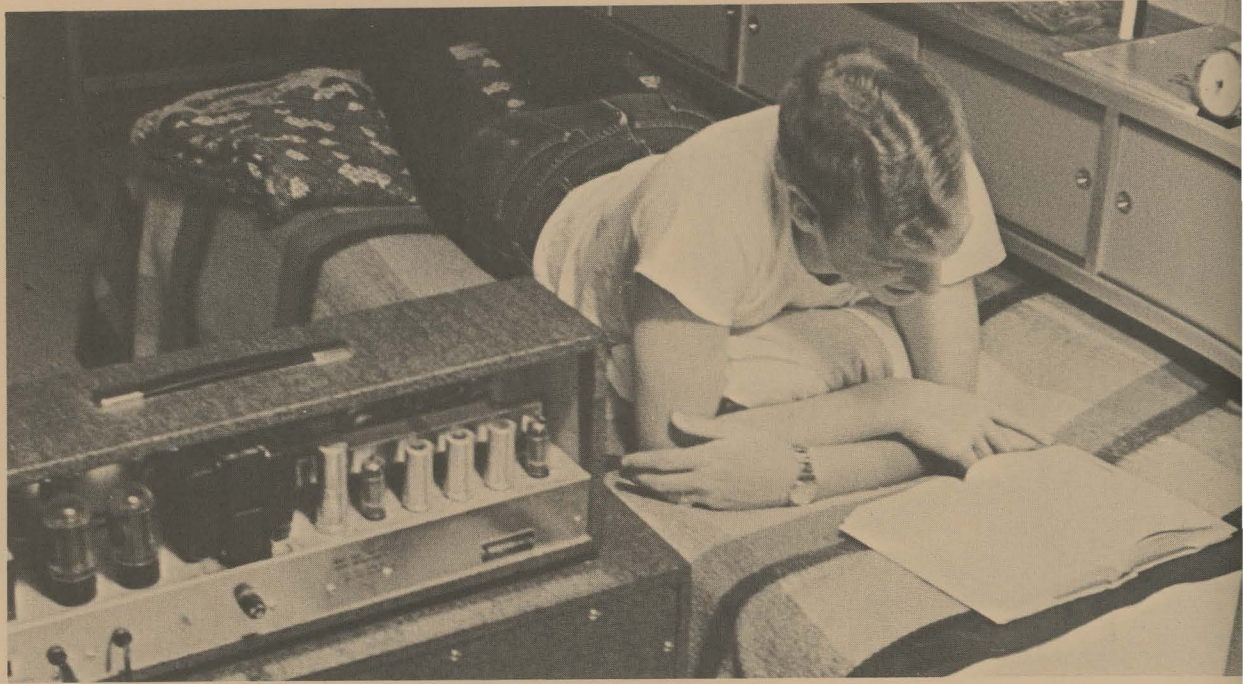

Academic study takes many forms in college life. The student is free to choose the course and setting which best suits his tastes and academic goals. Often called "an island of innovation", Delta provides a wide range of studies both in credit courses and special interest non-credit courses.

Fulfilling its role as a community college, Delta must first turn to the needs of the tri-counties. Through evening adult education classes, non-credit community education courses, cultural events for both young and old and an unending stream of qualified graduates Delta prepares the area for the future.

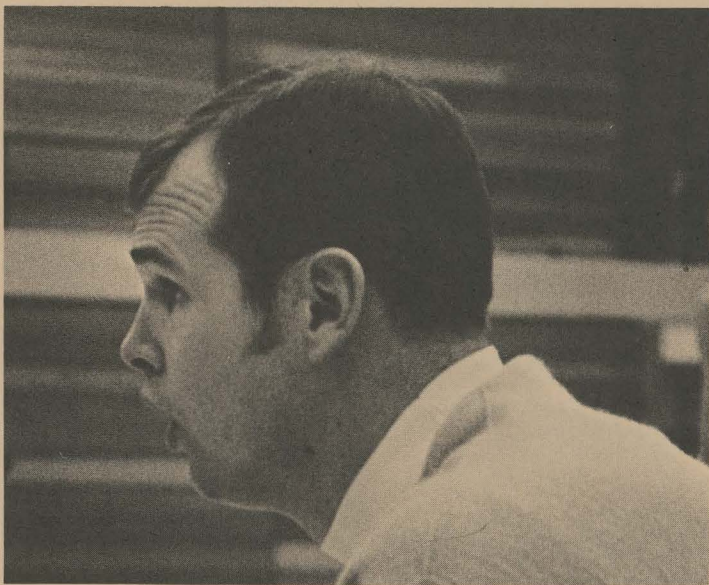

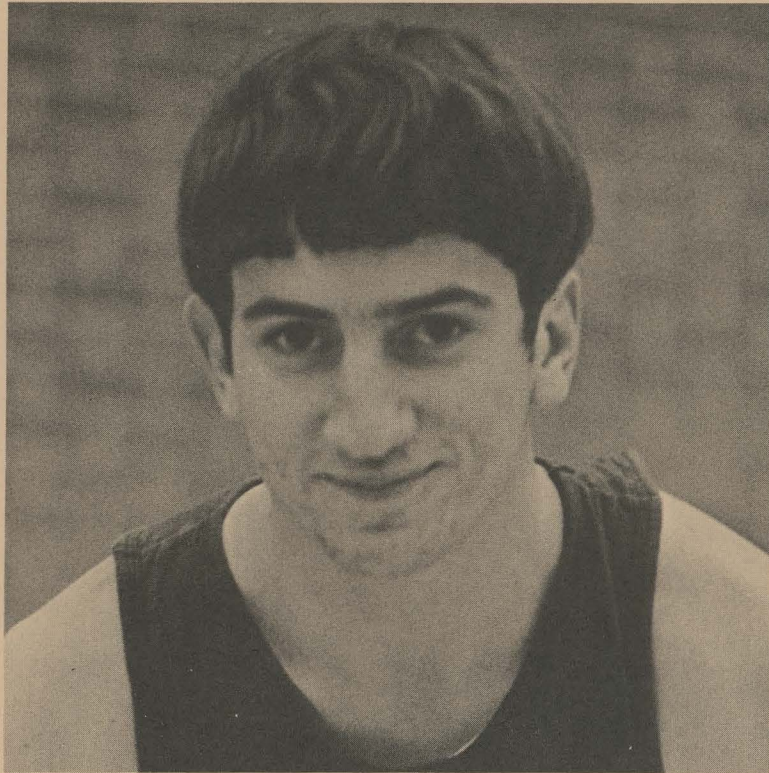

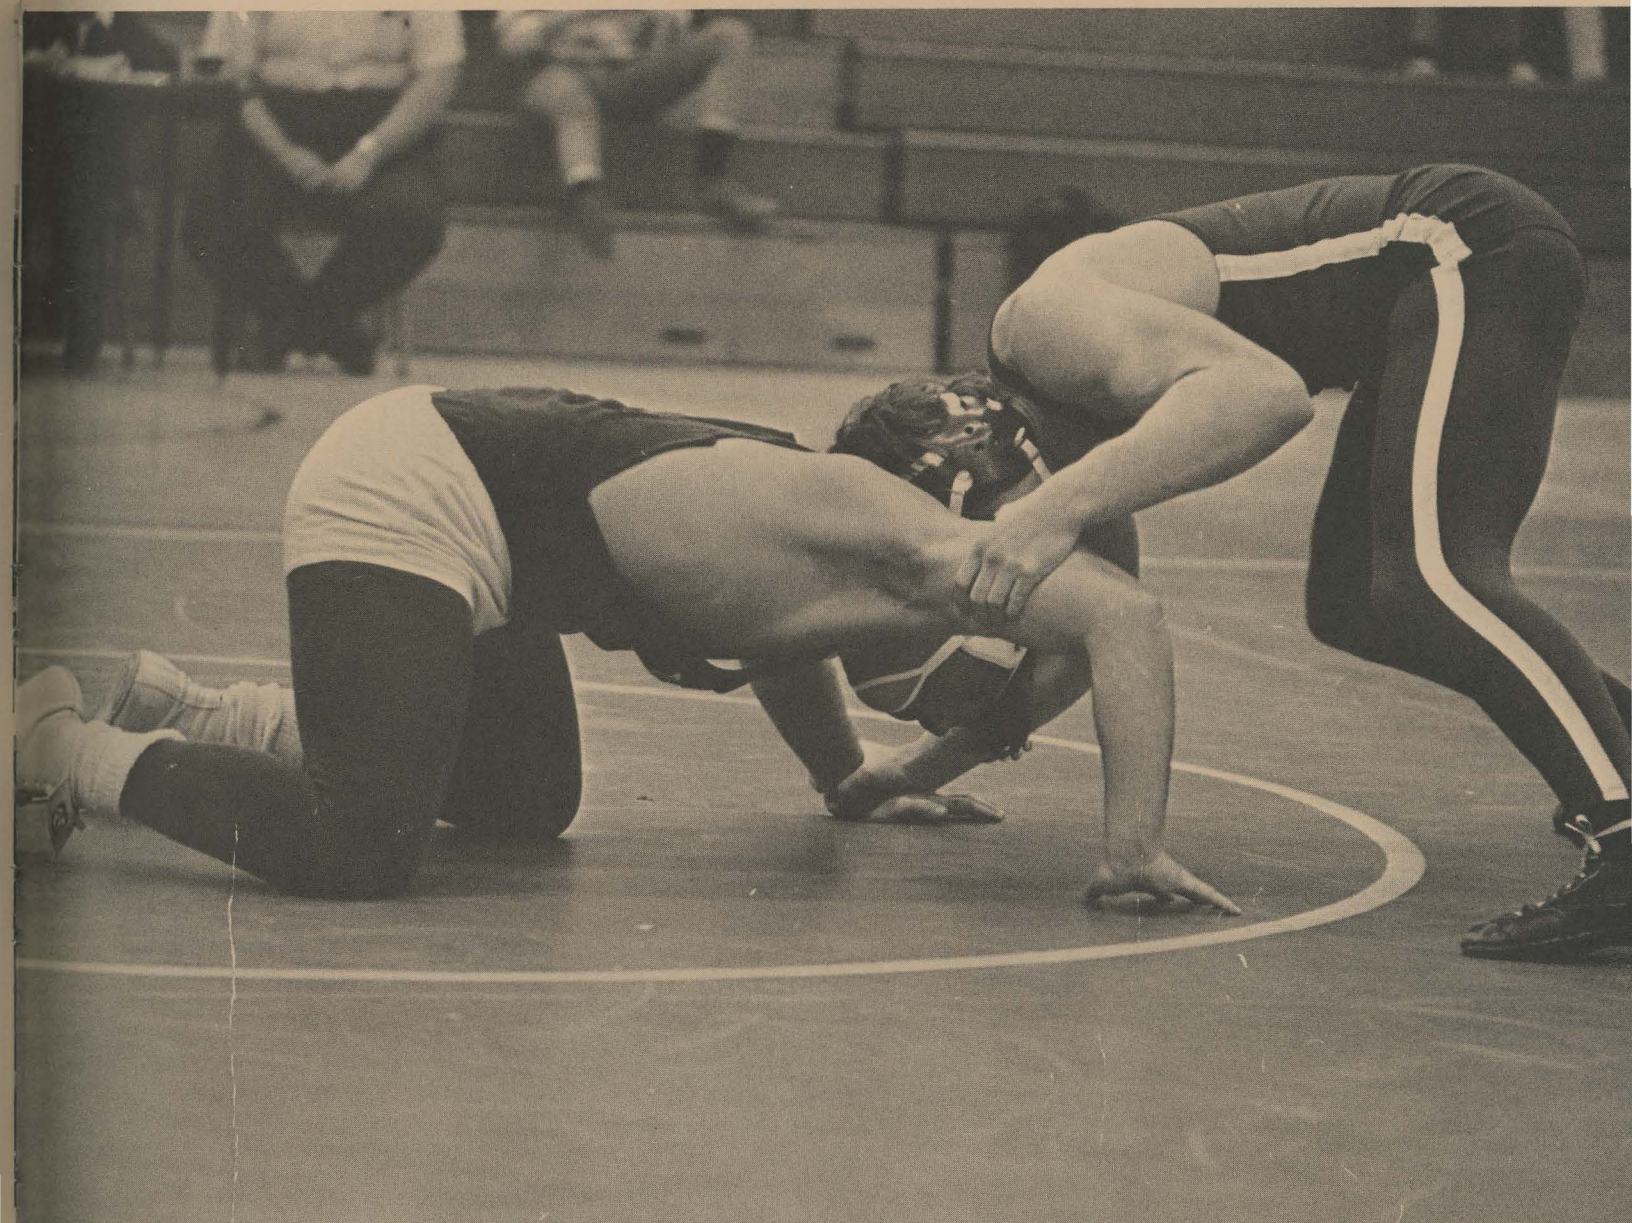

Academic studies are only half of a college's responsibilities. A balanced social life is essential to a balanced education. For the residents of Delta's on-campus housing, the two dorms become the center of both their academic and social lives. The court and new student center also provide sanctuaries from classroom pressures.

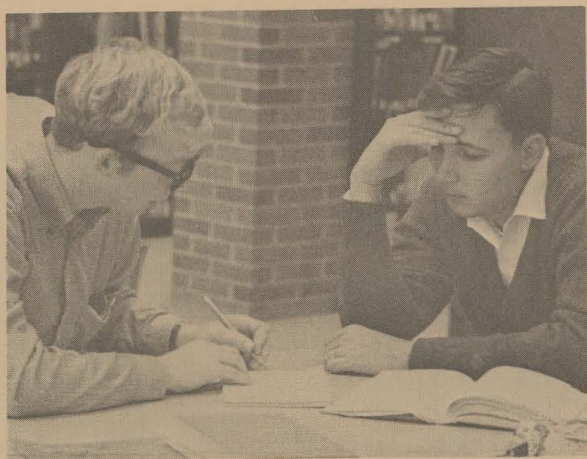

Athletics provide a spirit of competition which is often needed after the stresses of a long day. Through seven intercollegiate sports for men and three for women, Delta students find satisfaction in the triumphs of victory and the anguish of defeat.

The democratic process requires sharing of skills and abilities. At Delta this sometimes takes the form of student-to-student help. At other times it is a faculty-student or student-faculty-community form of give and take.

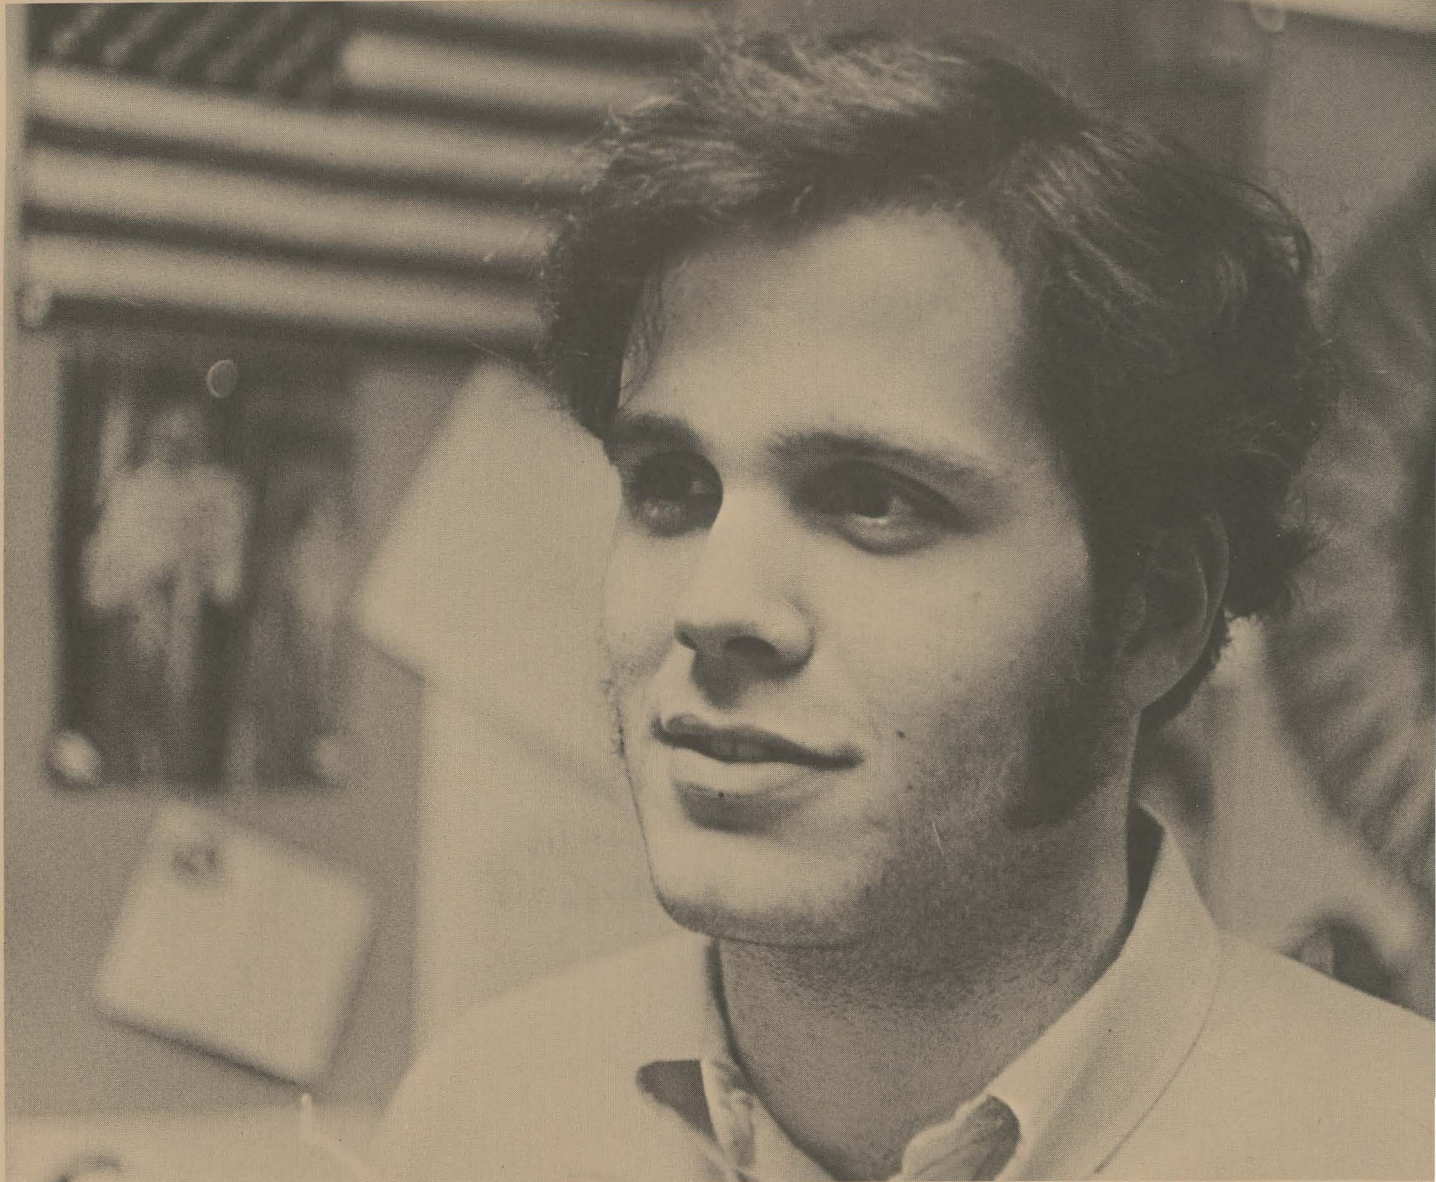

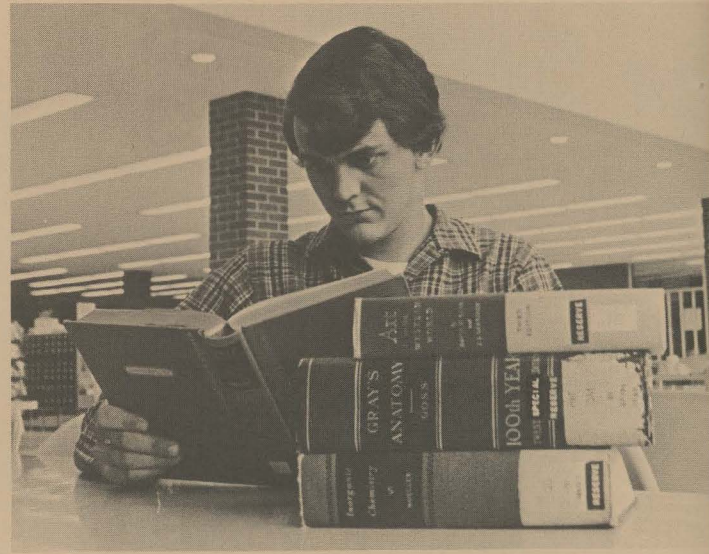

As the cultural center of the tri-counties, Delta strives to bring top entertainment and political figures to the area. Speakers are presented through the college council and top show business acts through the president's annual program.

Each student has his own unique personality, and the importance of being an individual is shown in college. Without individual goals and ideals, a student finds school meaningless. College life helps to develop one both as a leader and a follower.

Performances Are Enjoyed By Capacity Audiences

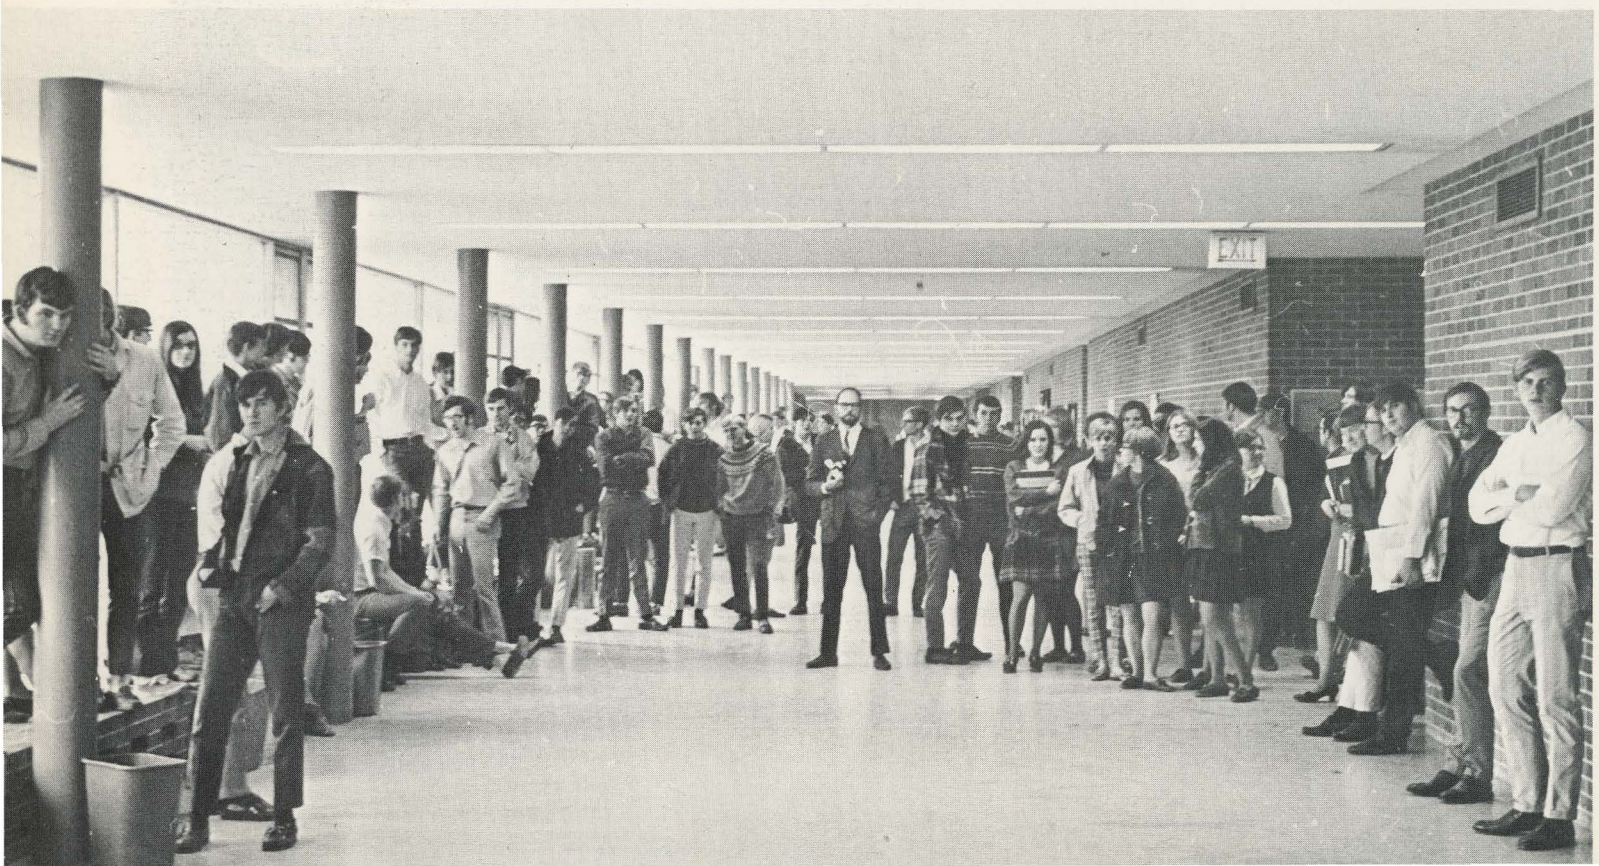

All Events Week Brings All Of Delta Together

All Events Week, sponsored by the Activities Board of College Council, provided Delta students a variety of activities for fun and relaxation.

Two movies were shown during the week, one a student produced film and the other a film on drug abuse. Also slated for the week was a club exposition and a card tournament. For music-lovers there were concerts by the SRC, a popular local rock group, and Al Hirt. A slave sale was held in the commons for those interested. The week ended with a tug-of-war, hayride and bonfire on Friday.

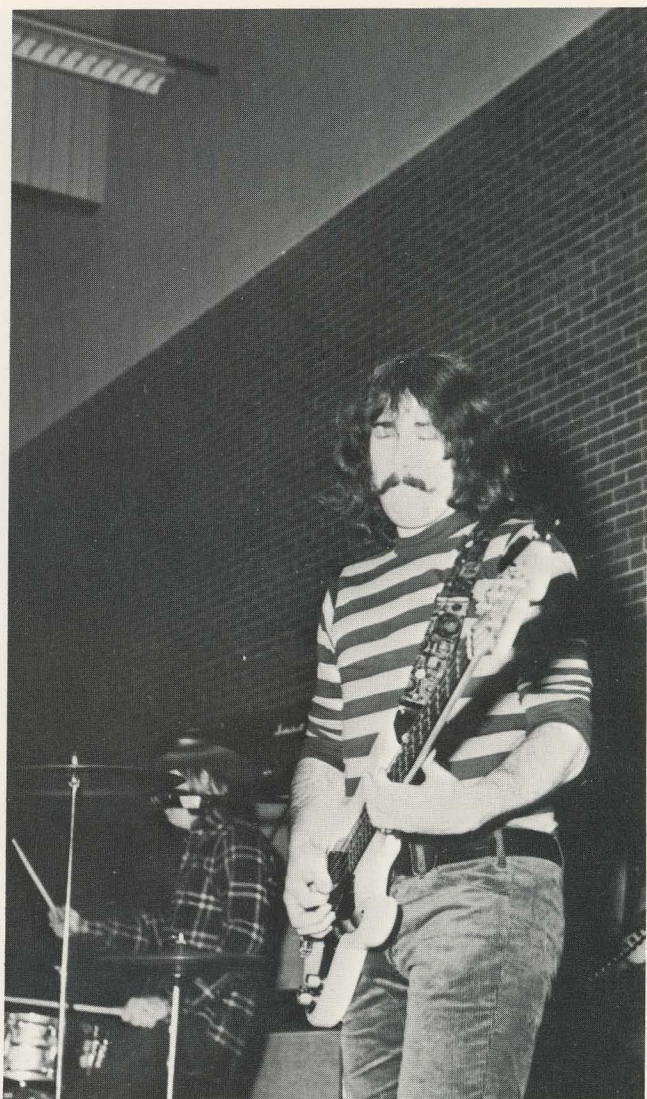

Tim Maher takes "bids" for Joann Fekete at the Slave Sale (TOP LEFT) in the Commons as part of All Events Week. Crowds of Delta students (BOTTOM) gather to watch the competition in the box-roll.

Pops Festival Rocks Delta

The Pops Festival featured fifteen bands in a continuous 12-hour session. Headline attractions were such local favorites as MC 5, Amboy Dukes, Bob Seger, and SRC. The festival drew a record crowd.

Kidnapper Bob Jaskiewicz (Collegiate editor) and victim Terry Rock (College Council president) shared refreshments in motel room.

Kidnappers Hit College Campus — Demand Ransom

When funds for the Publications' orphan ran short, somebody came up with an idea for raising money by kidnapping Miss Delta, Nancy O'Conner and College Council President Terry Rock. The ransom money met the deficit.

Terry Rock and Nancy O'Connor were released by kidnapper after ransom was paid.

Adopts New Constitution Council Takes Action;

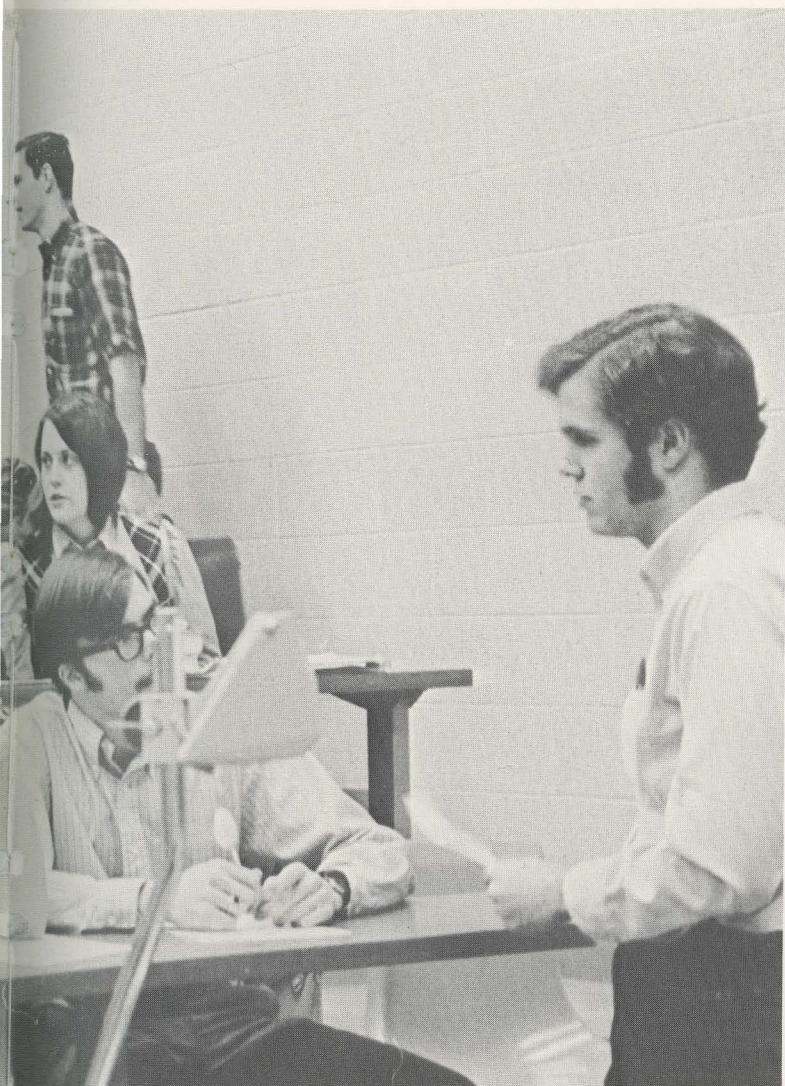

College Council, which meets every week, is responsible for recognizing clubs, raising funds for the student activities budget and is the voice of the student body at Delta. Each club and organization is represented. This year the Council adopted a new constitution and sponsored several convocations and dances.

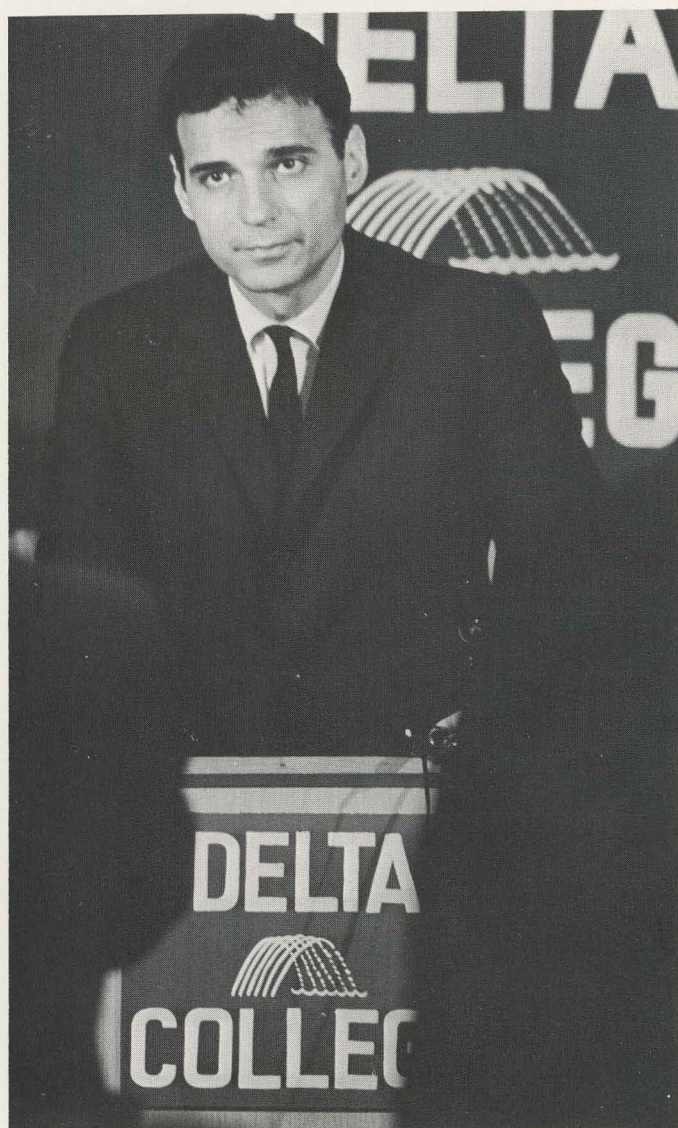

Sophomore class representatives to the College Council this year were Darryl Szczepanski, Dave Fries, Cindy Engelhardt and Ann Forbes.

Betty Jacobs takes on the duty of swearing in the new representatives. This year's freshman representatives were Dave Brennan, Cindy Streffling, Nancy Broihier, Ken Harris, Sue Bader, Maureen Driscoll and Mark Stevens.

Before the start of one of the weekly College Council meetings (TOP CENTER), Betty Jacobs and Mark Stevens go over some of the upcoming topics with John Rohrkemper, president. The Council supported the moratorium activities, and many of Delta's students participated in area marches (LOWER LEFT). Ralph Nader (LOWER RIGHT), national safety expert, spoke to Delta students as part of a three-part viewpoint program backed by the Council.

The smiles disappeared quickly from the faces of these five. They were chosen as publications' editors for this past year. LEFT TO RIGHT they are Mary Lou Kenney (Orientation editor), Kieth Arnett (Collegiate), Darryl Szczepanski (Gnosis), Don Klimmek (Dialogue) and Bob Anderson (Collegiate).

Sue Sanderson changes the film in one of the cameras. Sue is photo editor of the paper and responsible for keeping the negatives in order.

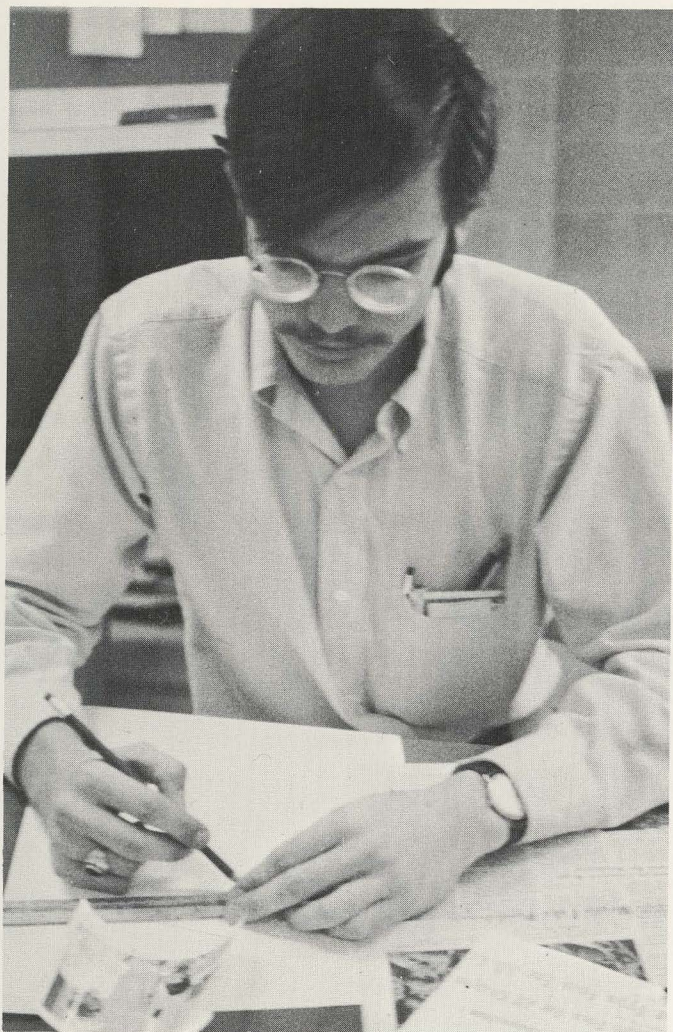

Staff Produces Collegiate

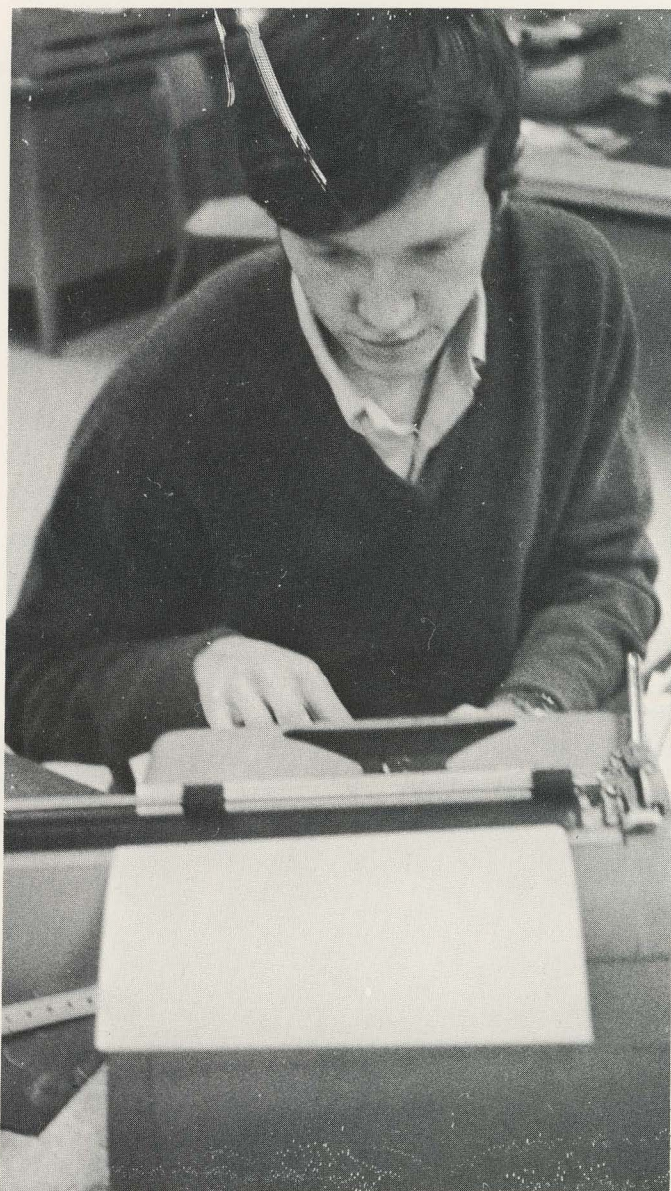

The Collegiate is Delta's weekly newspaper. Under the advice of Mrs. Pauline Drumm, the production of the paper is entirely student oriented. The staff receives no pay, but works voluntarily. The number of pages varies from four to twelve pages.

Production of the orientation issue of the Collegiate is done by a small staff. This year they were Mildred Henderson, Mary Lou Kenney, editor, Mrs. Pauline Drumm, and Jim Griffiths.

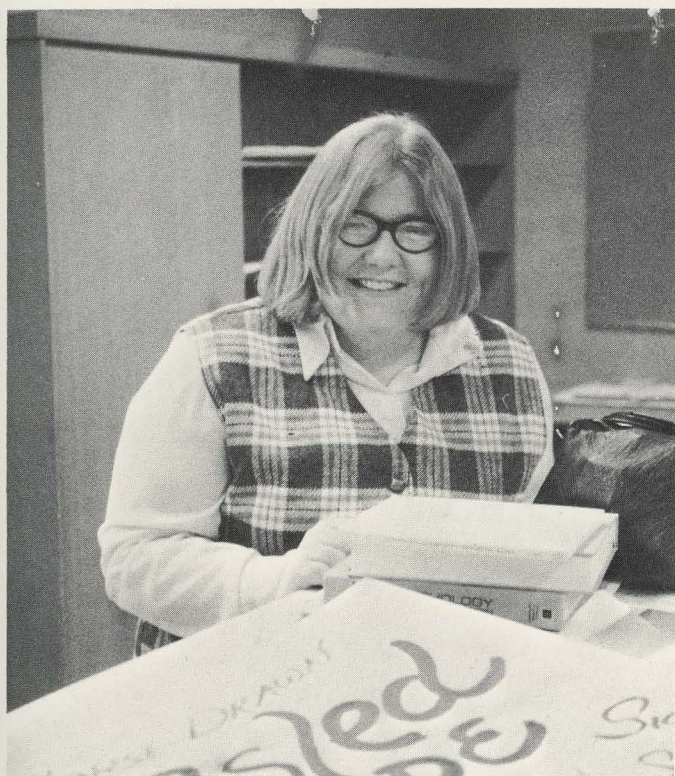

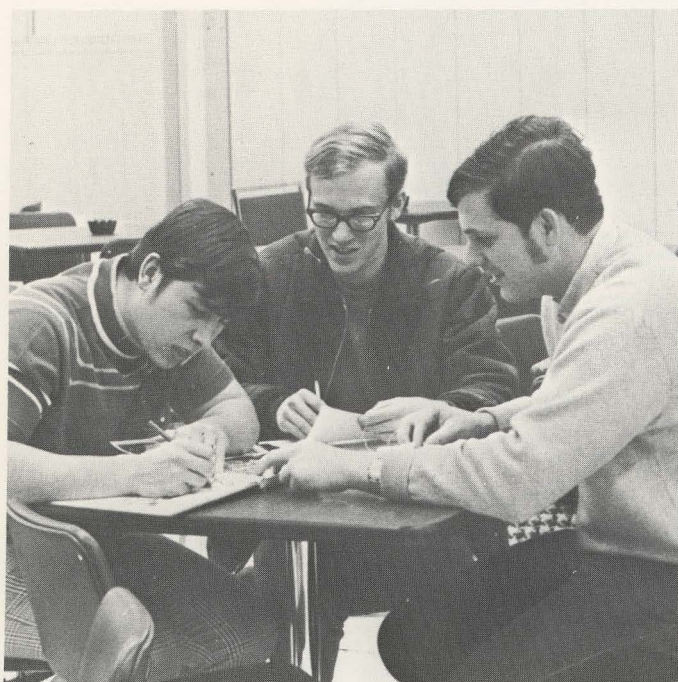

Mark Stevens, editorial editor, measures the column inches carefully to accurately plan the page.

Typing one of his articles for the Collegiate, editor Bob Anderson (ABOVE) checks the spelling of a word. Cindy Engelhardt (LEFT) acts as business manager for the Collegiate and always has a smile on her face even though her job may not always warrant one.

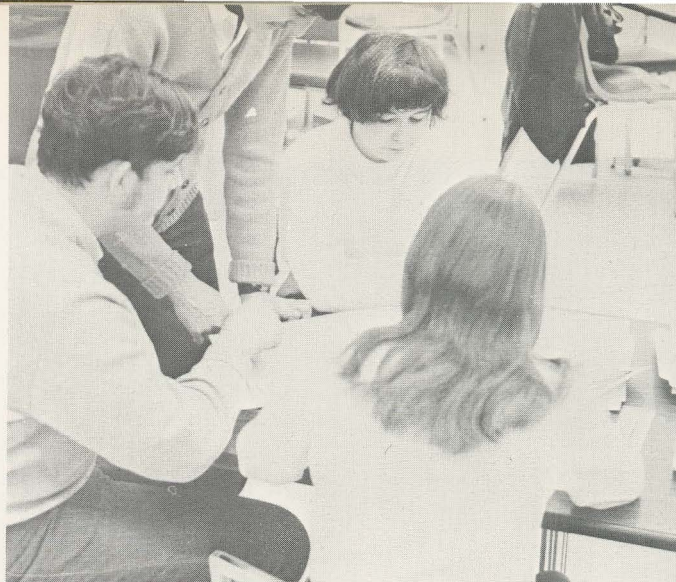

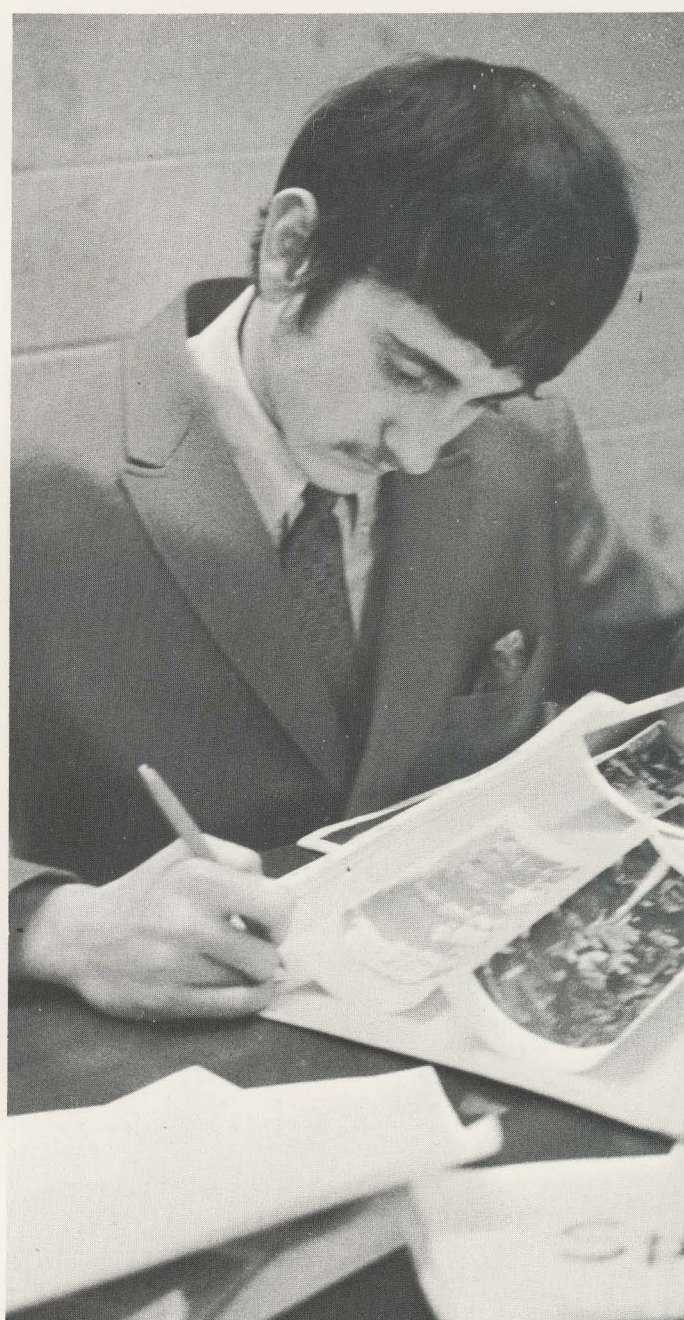

Pooling ideas for page layouts in the sports section are Randy LaFonde, Brent Foster and Jim Sigelko.

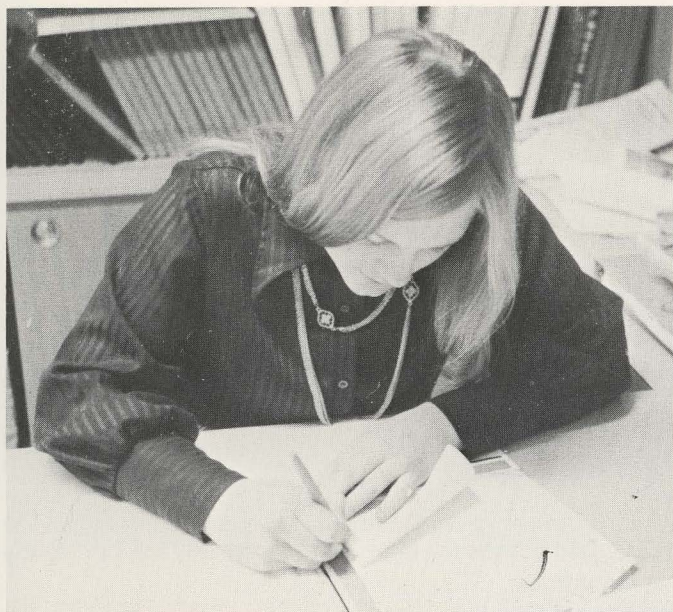

Sue Bader, Connie Taglauer and Bev Thon work together and crop pictures needed in the yearbook's final deadline.

The staff frequently works together on a particular page. Darryl Szczepanski (ABOVE) points out a copy mistake that needs to be corrected. The editor's job includes preparing a satisfactory introduction. Darryl (BELOW) writes captions for part of his introduction.

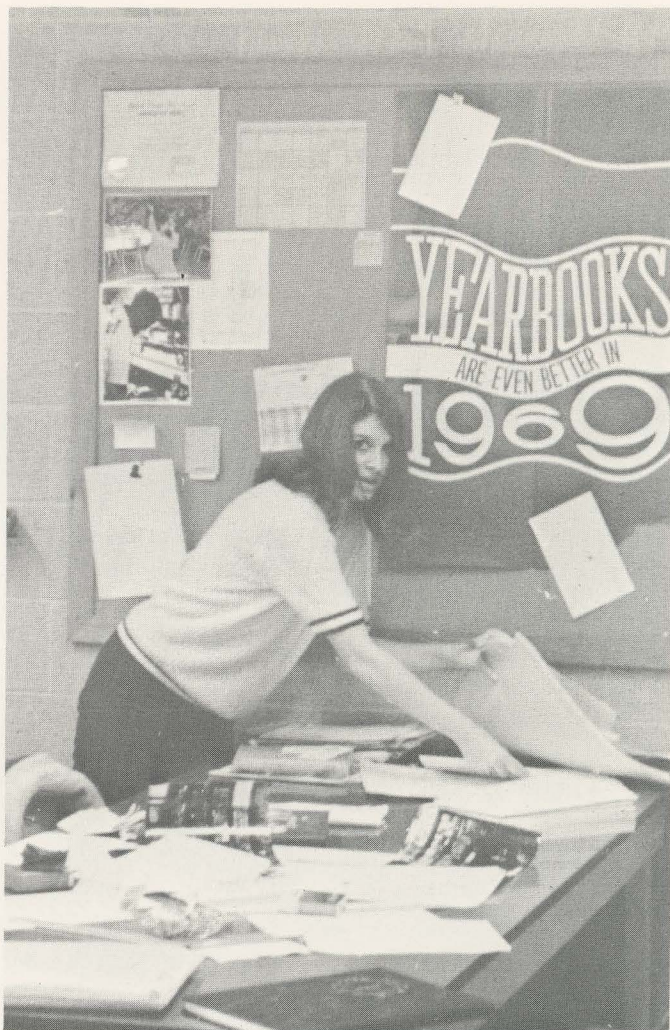

Editor of the album section, Yvonne Ittner draws some of the faculty layouts.

Students Design Yearbook

Published by the American Yearbook Company, the 1970 Gnosis was designed by Delta students who volunteered for this extra-curricular work. In pictures and copy, this finished product tells the story of Delta, its classes, its clubs and its people.

Connie Taglauer (ABOVE) reaches for extra copy sheets to finish the layouts of the Greek section. Mrs. Pauline Drumm, advisor, looks over a selection of pictures with Darryl Szczepanski, editor, and Bob Anderson, Collegiate editor (BELOW).

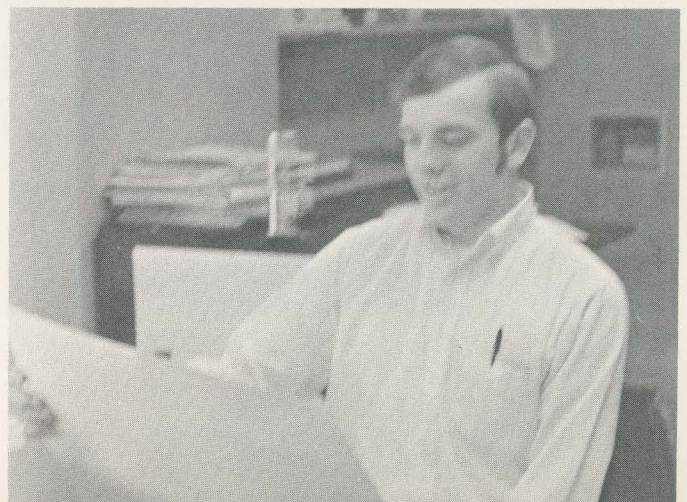

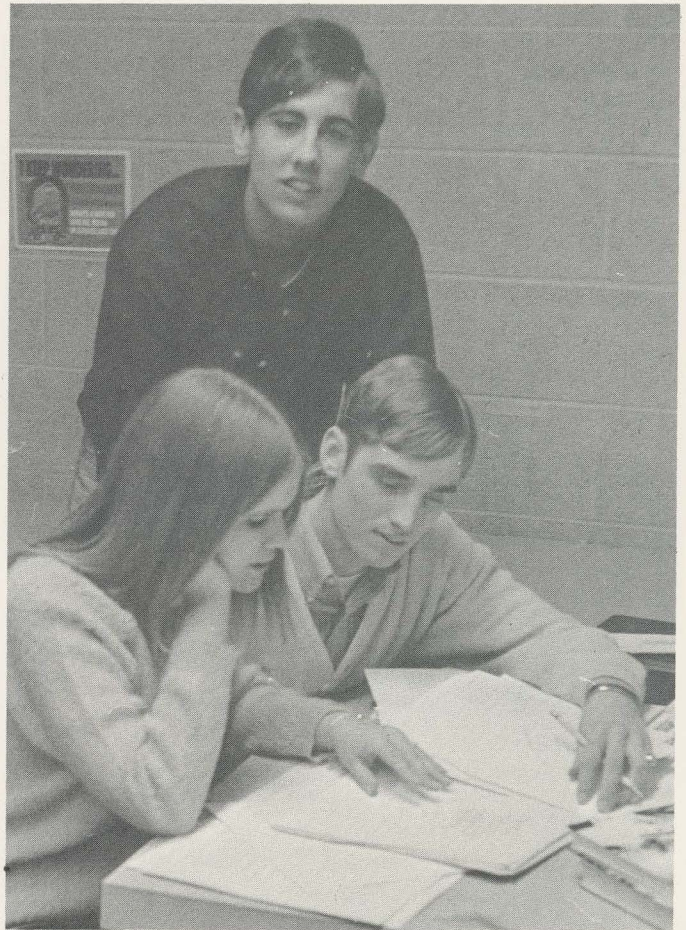

Dialogue Is Student Work

The literary magazine Dialogue, is a collection of writings and other artistic endeavors of Delta's students. The Dialogue staff begins its work early in the fall by reading, sorting and rereading the materials submitted to them. The deadline for final copy was early in December and then the organizing began. The final publication appeared in the spring for sale to the student body.

Prose editor Karen Roberson (ABOVE) brings a little sunshine to the Dialogue office as she rereads some of the accepted materials. Matt Bilodeau (UPPER RIGHT) looks over the shoulders of Don Klimmek, editor, and Cindy Tormala, coordinator, at a few of the many stories accepted. Matt is in charge of public relations. Doing his job as art editor, Jim Barrera (LOWER RIGHT) examines a painting to be used in the book.

The student volunteer program is enthusiastically discussed by Dr. Roman and interested students during a free moment of the day (LEFT). Two volunteers are receiving their most recent project and accomplishments (BELOW).

Students Tutor Area Teens

Delta's Volunteer Program is a student-centered tutorial project which provides educational aid to underprivileged area elementary and high schools students. Each volunteer spends part of his free time each week during the school year working individually with assigned students. Delta students plan their own tutoring sessions with the advice of the faculty coordinator. Volunteer program coordinator was Dr. Robert Roman.

After a busy day on the job, students are relating their unique experiences.

Belinda Marcy, Glen Erickson and John West make last minute preparations before ceremony begins.

Honor Society Adds Member In Candlelight Ceremony

Phi Theta Kappa is Delta's national honorary scholastic society and elects members on the basis of outstanding academic performance, community service, citizenship, leadership and character. To be eligible for membership, a student must be carrying at least 12 hours of credit at Delta which will transfer to a 4-year degree granting college. Freshmen must achieve a 3.0 cumulative grade point average, and sophomores a 3.2 average to be initiated into the club.

MEMBERSHIP — Howard Kramer, Diane Tews, Glen Erickson (president), Marcia Fifer, Jane Florian, Ann Gatz, Barbara Jank, Belinda Marcy (secretary), Donna Masterton (treasurer), LeRoy Reiss, Dennis Rousseau, Janet Rowley, Roger Stickley (College Council representative), Frank Tomczak, Judy Yoder, John West (vice president), Olivia Langden (advisor). **NEW MEMBERS** — George Matthews, Rodney O'Farrell, Helen Lange, Linda Schneider, Charles Humphrey, Benjamin Glowiak, Jean Goodheart, Thomas McMullen, Karen Reden, Lana Ewald, Janet Baranek, Nanette Chambers, William Klinkmar, Cathy Curtis. **FACULTY COMMITTEE** — Ed Stry, Lois Downer, Peggy Hammontree, Robert Nill.

New members are initiated in a solemn ceremony.

Cultural Understanding Grows

Delta's International Club is dedicated to the promotion of understanding and good will among all cultures and nations of the world. This year, president Jabl Odeh and advisor Miss Achenbach worked together and organized the club through regular meetings. Membership is open to all Delta students. The foreign students in the club talked about their home countries, cultures, tradition, religions, fashions and culinary customs.

Various interesting articles from different countries are displayed at the International Club Fair (TOP), and an International Club member (CENTER LEFT) is stationed at the club display at the Club Expo during All-Events Week.

The International Club is a group of Delta students who organized to promote good will and understanding among different cultures and all nations. Foreign students attending Delta create a friendly atmosphere in which understanding can grow.

A tricycle race is one of the highlights of the fun-filled Greek Week, as "darkhorse" Marianne Burk soon discovers.

Greeks Show Inspiration And Enthusiasm in Student Activities

Greek Council

Greek Council is a representative group comprised of members of the nine Greek organizations. Officially called Inter-Fraternity-Sorority-Council (I.F.S.C.), it organizes such events as Rush Week and Greek Week. The latter includes such sports as tricycle races, pie-eating contests, rope-pulling contests, slave sales, and car rallies. Its officers, elected in the fall, comprise the executive committee.

Greek life is never restricted to just the school year. DSN's and XAE's are gathering for a summer excursion.

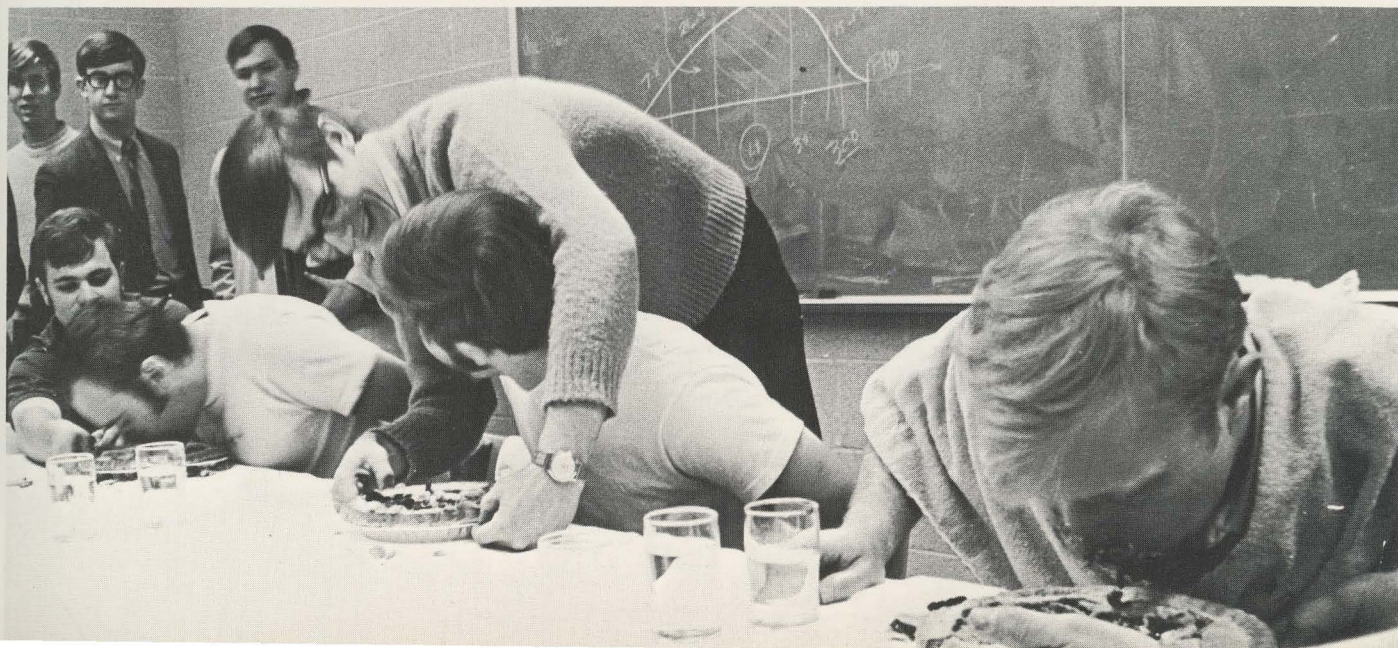

College students sometimes forget their ages, but these Greeks seem to be having a great time.

Defeat is not unknown for these XAE girls.

The old slapstick comedy routine of pie in the face returns with the Greek Week pie eating contest.

FRONT ROW: Kathy Thon, Chris Hayward, Margie Bateson. SECOND ROW: Yvonne Ittner, Marianne Burk, Jo Ann Fekete. BACK ROW: Chris Floerke, Barb Tolsdorf, Kathi Donakowski, Sue Wawrzyniak, Lorie Elliott, Jeanne Pajot, Kathy Delaney.

"Silver Bells" at Ramada Inn meant excitement to many, including these XAE's and their dates.

Chi Alpha Epsilon

Chi Alpha Epsilon, with Kappa Tau Sigma, initiate Delta students' enthusiasm with the first dance of the school year, "College Kickoff". Christmas time gives occasion to celebrate "Silver Bells" a formal dance sponsored by Chi Alpha Epsilon and their brother fraternity, Lambda Nu. XAE's also put on, "Blow-up", a dance following final exams in April.

Rush, held in September and January, calls for energetic XAE's to display their sorority pride to Delta students.

Although Sue Wawrzyniak, Genie Talaski, and Margie Bateson may look exhausted after an afternoon at Kolb Baseball Field, they never say "die" as the XAE's are challenged to a softball game by Delta Sigma Nu.

Delta Zeta Chi

Delta Zeta's have no fear of the blizzardy winter with this "lifesaver" at their side.

Delta Zeta Chi, along with brother fraternity, Phi Sigma Beta, sponsors the "Toy Dance" in December. Another annual, "Mr. Irresistible Dance", honors the "most irresistible" male student at Delta in recognition of St. Valentine's Day.

FRONT ROW: Diane Hare, Nancy Broihier, Sue Stanal, Carol Rowe. SECOND ROW: Cindy Strefling, Tricia Jacqmain, Ginny Dupuis, Rose Marie Rupp, Pat Walters, Cheryl Zuzula. BACK ROW: Kris Karl, Sue Jacqmain, Nan Bourdow, Vicki Blakely, Karen Buscarino, Deb Hardin. Missing from the picture: Diane Bloor and Karen Drieg.

FRONT ROW: Marty Strecker, Beth Volk, Cherie Stabnick, Vicki Beutin, Doll Williams. SECOND ROW: Jessie Hart, Connie Emerson, Karen Niendorf, Kathy Hayes. BACK ROW: Barb Smith, Mary Marande, Sue Bommarito, Pam Kwaiser, Delores Ramirez, Lorraine Campeau, Carol Halub.

Kappa Sigma Tau

Kappa Sigma Tau sponsors "Shades of Nowhere" in November. Their other annual dance, "Daisy Debut", is held in that "lazy" season in which many students experience "spring fever".

Kathy Hayes, Julie Craig, Jessie Hart, Gerry Henderson, and Barb Smith demonstrate their display during Greek Rush Week.

Cherie Stabnick, president, seems to be enjoying a dance with her date, while her sorority sister, Delores Ramirez, looks perplexed at the situation.

FRONT ROW: Dan Wagner, Rick Franz, Jeff Rombach, Jim Hales. BACK ROW: Jack Spenner, A. Brother, Jim Matkze, Jerry Clayton.

Kappa Tau Sigma

Kappa Tau Sigma, with the Chi Alpha Epsilon sorority, sponsored the College Kick-Off in the fall. Of course, this wasn't the only activity of the fraternity. Many parties and small get-togethers filled their time outside of school.

It's party time, and time for a hard and fast game of pool.

Lambda Nu

Lambda Nu, like other Greek organizations, participated in rush week in the fall by setting up a display in the rooms just off the Commons. Again this past year the group worked with the Chi Alpha Epsilon sorority and sponsored Silver Bells, the Christmas formal.

The banner at the far end of the room distinguishes this rush week display from all the other displays.

All of the Lambda Nu brothers are fun-loving as proven by this sociable gathering smiles and all.

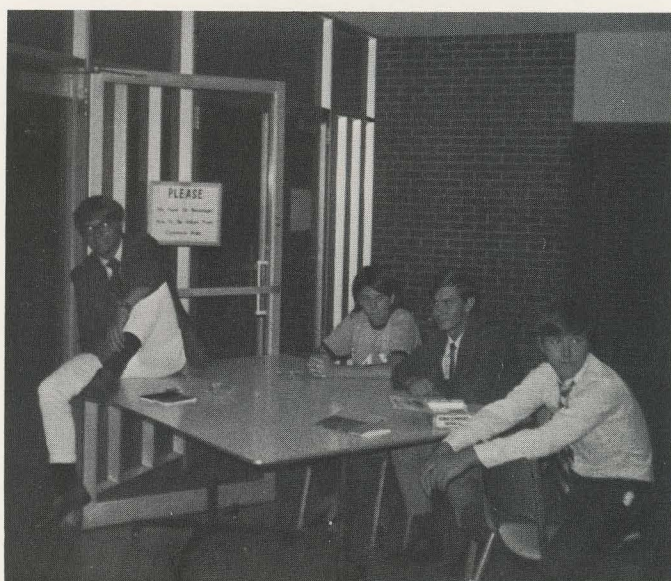

Phi Delta Chi

Every Greek organization had a display during rush. Phi Delta Chi was no exception.

The brothers of Phi Delta Chi are like all the other Delta fraternities . . . they know how to have fun. They proved this with their annual Communications Break-down which took place in the fall. Hours of planning resulted in hours of fun in many of the dances and other social activities throughout the year.

Taking tickets at the door for their dance are (ABOVE) Dave Wolinsk, Kitty Wickman, Ted Wickman and Bob Wolpert. Burning a float following a local parade are some of the brothers of Phi Delta Chi. Left to right they are Tom Miller, Paul Holmes, Dennis Poczkowski, Dan Pürman, Bob Wolpert, Dan Schneider and George Ebenhoah.

All Conference Hernando Quintero moves the ball down field.

A good snap from center is required to start a play.

Good eyes and a strong arm are a must for the quarterback.

Field Hockey

Members of Delta's intercollegiate field hockey team practice for an all important game.

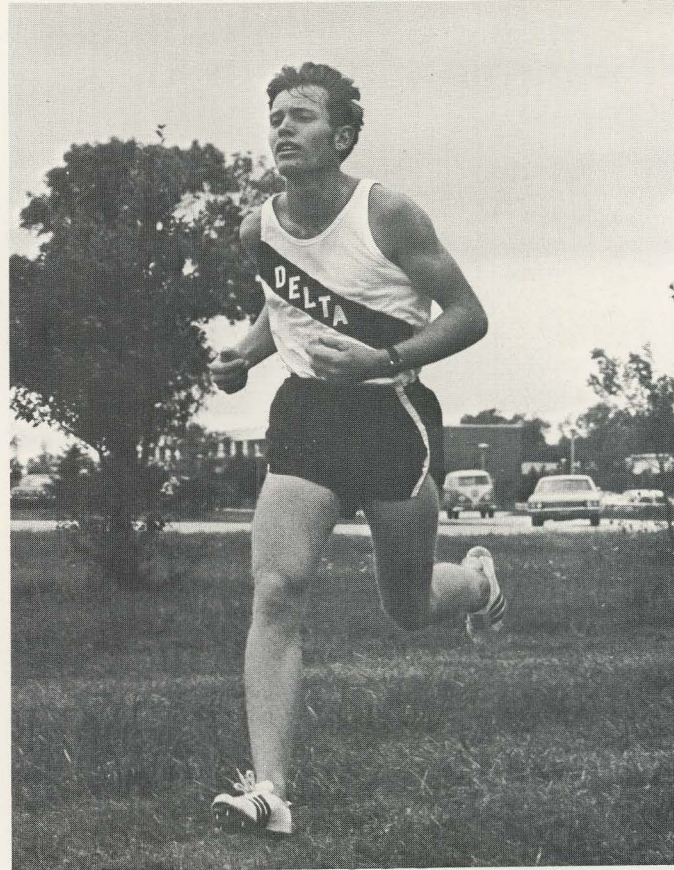

The ball can change hands many times in the course of a game.

Players must be able to fight for the ball in order to score in this game.

At times defense is a teams best asset.

Bill Deckett begins to show the weariness of a long hard race.

In this game a high jump is a necessity to get the ball.

Timing is all important when spiking the ball.

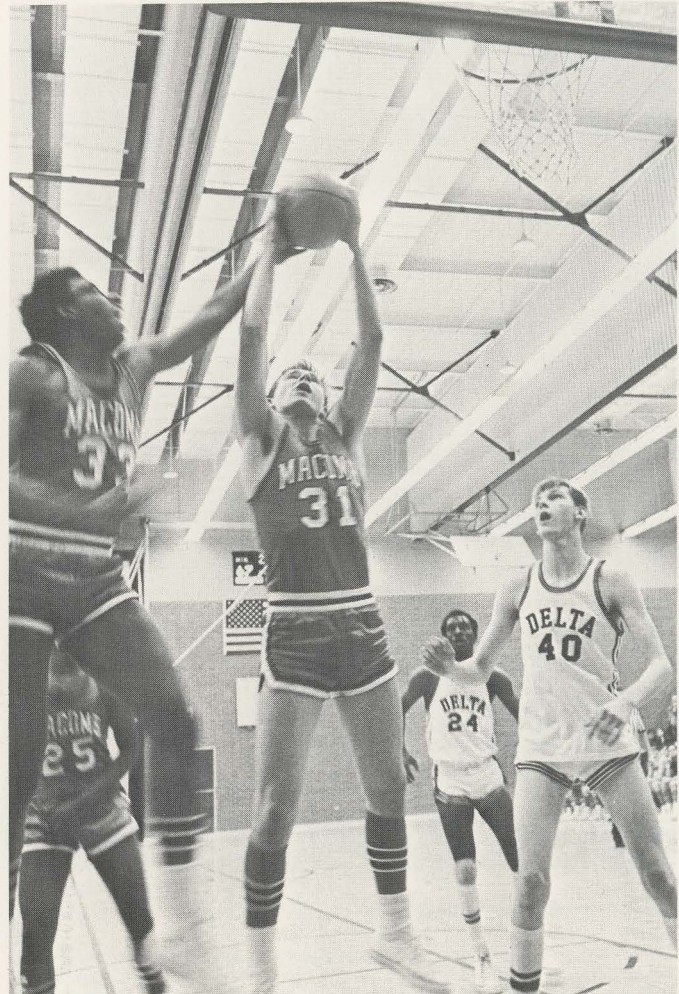

Volleyball requires a lot of team work to win.

Jay Fuchs, 40 and Delta's leading rebounder, Bob Drain, 20, attempt a rebound.

Basketball

Opposition wins out on rebounds.

The fans watch eagerly as Charlie Humphrey tries to tie it up.

During a practice session Donell Baity, one of Delta's better ball handlers, works out in the gym.

Sam Machulis strains for a pin.

Delta's teams had five very beautiful young women to cheer them on. If these girls couldn't raise the teams spirits then nothing could. LEFT TO RIGHT: Joyce Voisine, Peggy Derr, Chris Hayward, Barb Smith and Karyn Lagto.

The girls practice on last minute cheers before the game.

A Meaningful Experience

Young people of this community can be a vital force for a better tomorrow. The co-op program affords us an opportunity to demonstrate the sincerity of our interest in their development. Qualified students can actively participate and involve themselves in a variety of roles throughout our company. We want this to be a meaningful experience for them . . . and for us.

Our aim is to provide students a chance to sharpen their skills and apply classroom knowledge to a real job situation. In so doing, we hope to earn their respect and gain a better understanding of their desires and aspirations. This should be a meaningful experience for both of us.

Congratulations, Graduates:

Your friends at Consumers Power Company extend sincere congratulations to you upon your graduation.

Advanced education has helped to equip you for whatever career you have chosen. How you are ready for more study or to accept the challenges of commerce and industry, and of civic and social responsibilities.

Consumers Power must plan and project years — even decades ahead, and are always looking for qualified personnel. Our job categories represent a wide variety of career opportunities.

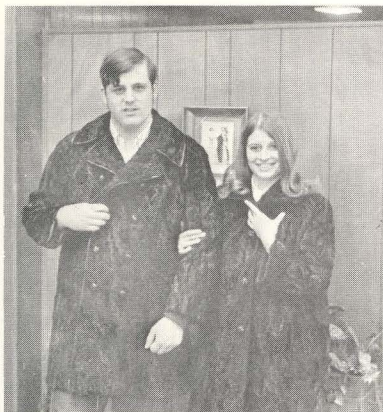

If you are interested in the requirements for employment with Consumers Power Company, our personnel director will be glad to define those job areas of special interest to you.

Again, congratulations and sincere wishes for success and satisfaction in your chosen field.

AN ACCENT ON YOUTH

This is fast becoming a nation of young people. In fact, very shortly half the population of the United States will be under twenty-five.

At Dow Corning, as with many other companies across the country, the younger generation is playing an important role in the company's activities.

Why? Because there's a lot of truth in that old saying about there being no substitute for experience -- and that's exactly what young people are getting today so that they can grow into the responsible leaders we will look to for guidance in the years to come.

Work-study programs are one way that young people are getting that experience. At Dow Corning, co-op students have jobs in laboratories, production, engineering and offices.

Here are five co-op students from high schools and colleges in the Tri-City area who are working in Dow Corning's laboratories.

To the readers of the 1970 Gnosis:

The 1970 Gnosis was born in the summer of 1969 in a planning session with our company representative and advisor Mrs. Pauline Drumm. The die was cast and a few sheets of paper began to take shape as the rough copy of a yearbook. Fall term began with the selection of staff members and the time consuming task of alphabetizing and numbering student photos. Moving at a constant pace, the staff drew layouts and took pictures. We had a hard time securing several pictures, but tried to slight no one. The 1970 Gnosis went to press during the first week of class of the winter term. As editor I would especially like to thank Assistant Editor Connie Taglauer for all her help; Bev Thon, Susan Bader, Yvonne Ittner, Randy LaFone and Jim Sigelko for their help in several sections; Bob Anderson, for his fine photographic talents; Pauline Drumm, for her long hours of work above and beyond her duty as advisor; Mr. Ray Figg, American Yearbook Representative; and John Krafft, who supplied many photographs to make the 1970 Gnosis a complete product.
